

# YOU

by Rachel Roberts

## Style Consultant

Want to update your wardrobe but don't have the time, energy or knowledge? Don't worry help is here!

- \* First, we'll start with a personal style consultation:
  - \* identify your individual style
  - \* assess your budget, favorite stores, lifestyle, and vision of your image
- \* Next, we'll go through the backbone of a wardrobe, your closet:
  - \* analyze, edit, organize
- \* Armed with this knowledge of your unique style I will scour through the racks until I find the perfect pieces to enhance your style!
- \* Do you have a special event and nothing to wear?! Don't worry, leave it to me to find you the ultimate outfit to wow any crowd.

## Party Planning

Planning a special event is a lot of work! Let me take the stress out of planning, so you can enjoy your party.

- \* Birthday, bachelor/bachelorette, holiday, office, dinner, just because!
- \* We'll start with a consultation to brainstorm ideas and establish a vision of your event; from theme to food to budget
- \* Invitations: ideas, creation, mailing
- \* Decorations: ideas, shopping, setup
- \* Menu: planning, shopping, preparation or organizing caterers
- \* Managing guest list and RSVPs
- \* Setup: while you get ready for the big night, I'll make sure every candle is lit, flower is trimmed and balloon is filled!

## Holiday Helper

The holidays can be a very demanding time of year. Let me help you breathe easy and enjoy this joyous season!

- \* Event planning: Some parties seem to be a bigger undertaking than the holiday itself. I'll help with my event planning services.
- \* Gifts: Do you have a few impossible-to-shop-for people on your list? I'll help with gift ideas and even run to the mall to get the gift.
- \* Wrapping: Not the most artistic? I'll make your gifts dazzle.
- \* Holiday cards: Always have the best intentions to send cards but never get to it? I'll sort through your year of photos to find the perfect family photo, order memorable cards and send them on their way.
